

## **Virginia Geographic Information Authority**

Created: 1996 Acts of Assembly, c. 1004.

*Note: The 1996 act provided that the legislation would not become effective unless reenacted by the 1997 Session of the General Assembly. It was not reenacted. However, the Geographic Information Network Division and the Virginia Geographic Information Network Advisory Board were created. See 1997 Acts of Assembly, c. 817.*
